

Welcome Message

Dear All,

Scientific Federation invites all the participants from all over the world to attend "**Metabolomics Global Summit**" during **July 16-17, 2018 in Miami, USA** which includes Keynote presentations, Oral talks, Poster presentations and Exhibitions.

Metabolomics Summit-2018 will also provide the excellent opportunity to meet experts, exchange information, and strengthen the collaboration among Directors, Researchers, Associate Professors, and Scholars from both academia and industry. The main theme of the conference is "**To develop and explore advanced research in Metabolomics**".

The Congress and Exhibition on Metabolomics is anticipating a large group of participants around the globe and the two day conference will provoke Plenary sessions, Keynote speeches, Poster, and Oral presentations. This program provides two days of robust discussions on recent advancements and new strategies for development of new materials for global requirements.

Conference Objectives:

- To facilitate opportunities for networking, collaboration and exchange of ideas with internationally renowned leaders in Metabolomics research.
- To identify research and practice based innovations in optimizing Metabolomics Research and development.
- To debate gaps and priorities for sustainable development in optimizing Metabolomics research and development.
- To discuss and debate the challenges and opportunities in the new era of optimizing Metabolomics research and development reforms.
- To identify opportunities for evidence-based practice in optimizing Metabolomics research and development.

We look forward to seeing you in Miami in July, 2018...!!!

Best Regards
Metabolomics Organizing Committee

Conference Highlights

The Scientific Federation brings you an immense opportunity to be a part of scientific acceleration to world class personalities, young scholars, scientific delegates and young scientists to join in this forum to utilize the expertise and novelties that brings a new era for innovations in the fields of Metabolomics which brings well versed scrutinizers at one place.

- Metabolomics and Cancer Research
- Metabolic Syndrome
- Transcriptomics
- Current Trends and Innovations in Metabolomics
- Toxicology and Drug Metabolism
- Clinical Metabolomics and Lipidomics
- Food and Nutritional Metabolomics
- Data Analysis and Systems Biology
- Metabolomics and Systems Biology
- Analytical and Bio-Analytical Techniques in Metabolomics
- Metabolomics in Health and Medicine
- Plant and Environmental Metabolomics
- Cancer Therapeutic Approaches
- Metabolomics in Precision Medicine
- Frontiers of Metabolomics Research
- Therapeutic Metabolomics
- Transcriptomics & Metabolic pathways
- Metabolic Modelling
- Clinical Metabolomics & Lipidomics
- Metabolomic devices
- Enhancing Analytical Approaches
- Case Reports

For Abstracts Submission: <http://www.scientificfederation.com/metabolomics-2018/abstract-submission.php>
Conference sessions will bring you the latest strategies, research, and best practices to improve outcomes through quality, safety and staffing.

Organizing Committee Members

Afaf H. AL-Nadaf
Mutah University, Jordan

Anil Batta
Baba Farid University of Health
Sciences, GGS Medical College, India

David A. Boothman
University of Texas, USA

Greg Maguire
University Of California, Berkeley,
Greater San Diego Area

Laura Bindila
University Medical Center Mainz,
Germany

Mirza R. Baig
Head of Clinical Pharmacy Department,
Dubai Pharmacy College, UAE

Mohd Amin Mir
Sai Institute of Paramedical and Allied
Sciences Dehradun, India

M. Rajajeyakumar
Yong Loo Lin School of Medicine,
Singapore

Roberto Menicagli
Roma Biomed Research Lab, Italy

Goutam Mukhopadhyay
Maulana Abul Kalam University of
Technology, India

Glimpses of Previous Conferences

About Miami

Miami is a seaport city at the southeastern corner of the U.S. state of Florida and its Atlantic coast. Miami has the third tallest skyline in the U.S. with over 300 high-rises. Downtown Miami is home to the largest concentration of international banks in the United States, and many large national and international companies. The Civic Center is a major center for hospitals, research institutes, medical centers, and biotechnology industries. For more than two decades, the Port of Miami, known as the "Cruise Capital of the World", has been the number one cruise passenger port in the world. It accommodates some of the world's largest cruise ships and operations, and is the busiest port in both passenger traffic and cruise lines. Metropolitan Miami is the major tourism hub in the American South, number two in the U.S. after New York City and number 13 in the world, including the popular destination of Miami Beach.

Miami is a major center, and a leader in finance, commerce, culture, media, entertainment, the arts, and international trade. In 2012, Miami was classified as an Alpha-World City in the World Cities Study Group's inventory. In 2010, Miami ranked seventh in the United States in terms of finance, commerce, culture, entertainment, fashion, education, and other sectors. It ranked 33rd among global cities. In 2008, Forbes magazine ranked Miami "America's Cleanest City."

Important Dates

Abstract Submission Opens: April 10, 2017
Registration opens: April 10, 2017
Early bird registration: December 27, 2017
On spot registration: July 16, 2018

Venue

Crowne Plaza Miami International Airport,
950 NW 42nd Ave
Miami, USA
