Welcome Message

Dear All,

Scientific Federation creates an opportunity for all the participants from all over the world to attend **3rd World Congress and Expo on Immunology, October 18-20, 2018 at Amsterdam, Netherlands** which includes Keynote presentations, Oral talks, Poster presentations and Exhibitions.

Immunology -2018 will also provide the excellent opportunity to meet experts, exchange information, and strengthen the collaboration among Directors, Researchers, Associate Professors, and Scholars from both academia and industry.

Immunology-2018 is anticipating participants from 40 and more countries across the globe and the two day conference will provoke Plenary sessions, Keynote speeches, Poster, and Oral presentations. This program provides three days of robust discussions on recent advancements and new strategies for current revolutions in immunology.

Our pleasure to meet you in upcoming event...!!!

Conference Objectives:

- To facilitate opportunities for networking, collaboration and exchange of ideas with internationally renowned leaders in immunology research.
- To identify research and practice based innovations in optimizing immunology research and development.
- To debate gaps and priorities for sustainable development in optimizing immunology research and development.
- To discuss and debate the challenges and opportunities in the new era of optimizing Immunology research and development reforms.
- To identify opportunities for evidence-based practice in optimizing immunology research and development.

We look forward to seeing you in Amsterdam in October, 2018...!!!

Best Regards

Organizing Committee

Conference Highlights

The Scientific Federation brings you an immense opportunity to be a part of scientific acceleration to world class personalities, young scholars, scientific delegates and young scientists to join in this forum to utilize the expertise and novelties that brings a new era for innovations in the field of Immunology which brings well versed scrutinizers at one place. It provides a platform to have open discussions, knowledge sharing and interactive sessions with field experts at Immunology Congress-2018. We request you to submit a brief idea or abstract of your talk/presentation/symposium/workshop according to your session interest.

- Clinical and Cellular Immunology
- Tumour and cancer Immunology
- Neuro immunology
- Infectious Diseases and Immune System
- Allergy, Asthma
- Molecular Biology
- Drug Delivery
- Autoimmune Disease
- Parasitology
- AIDS stigma and discrimination
- Immunology of diseases
- Vaccines and Vaccination
- Rheumatology
- Transplantation Immunology
- Immunogenetics
- Immunodermatology
- Molecular and Structural Immunology
- Veterinary Immunology and Immunopathology

For Abstracts Submission: <http://scientificfederation.com/immunology-2018/abstract-submission.php>

Conference sessions will bring you the latest strategies, research, and best practices to improve outcomes through quality, safety and staffing.

About Amsterdam

Amsterdam is the Netherlands' capital, known for its artistic heritage, elaborate canal system and narrow houses with gabled facades, legacies of the city's 17th-century Golden Age. Its Museum District houses the Van Gogh Museum, works by Rembrandt and Vermeer at the Rijksmuseum, and modern art at the Stedelijk. Cycling is key to the city's character, and there are numerous bike paths.

Important Dates

Abstract Submission Opens: October 06, 2017

Registration opens: October 12, 2017

Early bird registration: January 25, 2018

On spot registration: October 18, 2018

Venue

Amsterdam, Netherlands
