Welcome Message

Dear All,

Scientific Federation invites all the participants across the globe to attend the **3rd International Conference and Expo on Petrochemistry & Natural Resources** during **October 22-23, 2018 in Prague, Czech Republic**, which includes prompt keynote presentations, Oral talks, Poster presentations and Exhibitions.

The organizing committee is gearing up for an exciting and informative conference program including plenary lectures, symposia, workshops on a variety of topics, poster presentations and various programs for participants from all over the world. We invite you to join us at the petrochemistry & natural resources, where you will be sure to have a meaningful experience with scholars from around the world.

Our pleasure to meet you in upcoming event...!!!

Young Researchers Opportunity:

We make sure to support and motivate 'Young Researchers' by:

- Establishing their academic and professional relationships.
- Improving their morale and confidence of presenting research in an international platform.
- Interacting with expertise in their respective departments.
- Clearing your inhibitions of adjusting to the foreign environment.
- Providing a holistic experience of academic tourism.

Our pleasure to meet you in upcoming event...!!!

Best Regards
Conference Organizing Committee

Conference Highlights

The Scientific Federation brings you an immense opportunity to be a part of scientific acceleration to world class personalities, young scholars, scientific delegates and young scientists to join in this forum to utilize the expertise and novelties that brings a new era for innovations in the field of Petrochemistry & Natural Resources which brings well versed scrutinizers at one place. It provides a platform to have open discussions, knowledge sharing and interactive sessions with field experts at Petrochemistry-2018. We request you to submit a brief idea or abstract of your talk/presentation/symposium/workshop according to your session interest.

- Oil and Gas Experts
- Petroleum Engineers
- Geologists and Geo Scientists
- Petroleum Associations and Societies
- Oil & gas Environment Management
- Environmental impacts and Effects
- Organic chemistry
- General issues in Oil & gas operations
- Reservoir Engineering
- Renewable Energy Sources
- Coal and Natural Gas
- Nano Science Technology
- Geology & Exploration
- Health, Safety, and Environment
- Recent advances in Petrochemistry
- Process Chemistry & Technology
- Production Technology and separation Techniques
- Chemical reaction engineering and its applications
- Modeling and Simulation
- Environmental effects of the Petroleum
- Natural hazards in Petroleum industry
- Oil Production

For Abstracts Submission:

<http://scientificfederation.com/petrochemistry-2018/abstract-submission.php>

Conference sessions will bring you the latest strategies, research, and best practices to improve outcomes through quality, safety and staffing.

Organizing Committee Members

Hycienth Nwankwoala
University of Port Harcourt, Nigeria

Abdelwahab Omri
Laurentian University, Canada

Zhangissina Gulnur D
*International Academy of
Informatization, Republic of
Kazakhstan*

L. C. L. A. Jamshidi
*Federal University of Pernambuco,
Brazil*

Agarwal, Ramesh
Stanford University, USA

Reza Jamshidi Rodbari
*Federal University of Pernambuco,
Brazil*

Ideisan Abu-Abdoun
University of Sharjah, UAE

Sina R. Gomari
Teesside University, UK

Boyun Guo
University of Louisiana, Lafayette

YASİN ÖZDEMİR
*Ataturk Horticultural Central Research
Institute, Turkey*

Glimpses of Previous Conferences

About Prague

Prague, capital city of the Czech Republic, is bisected by the Vltava River. Nicknamed “the City of a Hundred Spires,” it’s known for its Old Town Square, the heart of its historic core, with colorful baroque buildings, Gothic churches and the medieval Astronomical Clock, which gives an animated hourly show. Completed in 1402, pedestrian Charles Bridge is lined with statues of Catholic saints.

Prague is home to a number of famous cultural attractions, many of which survived the violence and destruction of 20th-century Europe. Main attractions include the Prague Castle, the Charles Bridge, Old Town Square with the Prague astronomical clock, the Jewish Quarter, Petřín hill and Vyšehrad. Since 1992, the extensive historic centre of Prague has been included in the UNESCO list of World Heritage Sites.

The city has more than ten major museums, along with numerous theatres, galleries, cinemas and other historical exhibits. An extensive modern public transportation system connects the city. Also, it is home to a wide range of public and private schools, including Charles University in Prague, the oldest university in Central Europe.

Important Dates

Abstract Submission Opens: November 20, 2017

Registration Opens: November 30, 2017

Early Bird Registration: April 27, 2018

On Spot Registration: October 22, 2018

Venue

Prague,
Czech Republic

For Registration
