7th World Congress on
Nursing & Healthcare

June 17-18, 2019 | London, UK

Theme:
**Recent Innovations for Better Healthcare
and the Facets of Nursing**

Dear All,

Scientific federation welcomes you to attend the 7th World Congress on Nursing and Healthcare which is going to be held in London, UK during June 17-18, 2019.

We cordially invite all the participants who are interested in sharing their knowledge and research in the area of Nursing & Healthcare.

WCNH-2019 anticipates more than 300 participants around the globe with thought provoking plenary sessions, keynote lectures, Oral Presentations and Poster Presentations. The attending delegates include Editorial Board Members of related International Journals. This is an excellent opportunity for the delegates from Universities and Institutes to interact with the world class Scientists.

This will bring together world leaders in their respective fields in the fascinating environment of UK, London. WCNH-2019 Conference is to explore on Current Issues of Recent Innovations for Better Healthcare and the Facets of Nursing. The aim of the WCNH-2019 is to promote quality research and real-world impact in an atmosphere of true international cooperation between scientists by bringing together again the world class researchers, International Communities and Industrial heads to discuss the latest developments and innovations in the fields of Healthcare with colleagues from different countries and other parts of UK.

○ Conference Objectives

- To facilitate opportunities for networking, collaboration and exchange of ideas with internationally renowned leaders in Nursing & Health Care.
- To identify research and practice based innovations in optimizing Nursing & Health Care research and development.
- To debate gaps and priorities for sustainable development in optimizing Nursing & Health Care research and development.

We are looking forward to seeing you at WCNH -2019 in London, UK...!!!

**Best Regards
WCNH- 2019**

○ About Venue

London is the biggest city in Western Europe, and the world's largest financial centre. The population of London is 8.63 million. Most people in London are British. However, London also has many immigrants. These people come from many different countries. They speak many different languages and have different religions and cultures. There are also many people from different countries who stay in London on business. Many people visit London as tourists. London has amazing places to view the iconic skyline along the river, watch in a panoramic view of London from up high at locations such as View from The Shard or the London Eye and it can carry 800 People at a time.

London is home to some of the best museums and galleries in all over the world. Visit Spicy Restaurants like Michelin-starred Restaurants, Traditional British Restaurants and Shop in Europe's largest urban shopping centre at Westfield Stratford Then Visit the British Museum, Tate Modern, Natural History Museum or the Science Museum where you can browse the permanent collections at no cost. It is home to beautiful Royal Parks, Hyde Park and Richmond Park, Hampstead Heath Park, with amazing views over the city and also visit the London's peaceful and cool outdoor places such as Royal Botanical Gardens, Kew. Take a Journey with River bus services and River tours are great and best ways to beat the traffic and enjoy wonderful views As well as don't forget London's canals, such as Regent's Canal and Little Venice.
