

4th Global Nanotechnology Congress and Expo

April 16-18, 2018 | Dubai, UAE

*Theme: Focusing and Expanding the Significant
Assessment in Nanotechnology Inventions to the Globe*

Scientific Federation

T: +91-779-979-0001/+91-779-979-0002

Welcome Message

Dear All,

GNCE-2018 welcomes you to **4th Global Nanotechnology Congress and Expo** during **April 16-18, 2018** at Dubai, UAE which will bring together world leaders in their respective fields in the fascinating environment of Dubai, UAE. GNCE-2018 will provide the excellent opportunity to meet experts, exchange information, and strengthen the collaboration among Directors, Researchers, Associate Professors, and Scholars from both academia and industry. This program provides three days of robust discussions on recent advancements and new strategies for development of new materials for global requirements

Conference Objectives:

- To facilitate opportunities for networking, collaboration and exchange of ideas with internationally renowned leaders in Nanotechnology research and development.
- To identify research and practice based innovations in optimizing Nanotechnology research.
- To debate gaps and priorities for sustainable development in optimizing Nanotechnology research and development.
- To discuss and debate the challenges and opportunities in the new era of optimizing Nanotechnology research reforms.
- To identify opportunities for evidence-based practice in optimizing Nanotechnology research.

We look forward to seeing you in Dubai in April, 2018...!!!

Best Regards
Nanotech Organizing Committee

Conference Highlights

- Nanomaterials
- Graphene Technologies
- Carbon nanomaterials, devices and technologies
- Nanofabrication
- Nanocomposites and Multifunctional Materials
- Graphene Technologies
- Applications of Nanotechnology
- Nanobiotechnology
- Multifunctional Nanobiomaterials
- Functional materials
- Energymaterials
- Emerging areas of Materials Science
- Advancements in Material Science
- Ceramic and Glass Materials
- MEMS & NEMS
- Nanotoxicology
- Polymer based Nanocomposites
- Microtechnology
- Mining and Metallurgy
- Nanomedicine and Biomedical Engineering
- Nanomedical Approaches for Cancer Diagnosis and Treatments
- Cancer Nanotechnology & Tissue Nanoengineering
- Multifunctional Nanobiomaterials
- Biomaterials and Polymer Chemistry
- Electronic, Optical, and Magnetic Materials
- Materials Processing and Product Manufacturing
- Materials Science and Engineering
- Materials Science-Fundamentals & Characterization

For Abstracts Submission: <http://www.scientificfederation.com/nanotechnology-congress-2018/abstract-submission.php>

Conference sessions will bring you the latest strategies, research, and best practices to improve outcomes through quality, safety and staffing.

Organizing Committee Members

Mohamed El-Far
Mansoura University, Egypt

Chintakindi Sanjay
GITAM University, India

A. F. M. Anwar
University of Connecticut, USA

Valery Serbezov
Nanotechplasma Ltd., Bulgaria

Xing-Jie Liang
National Center for Nanoscience and
Technology, China

D Nagasamy Venkatesh
JSS University, India

Manoj Gupta
National University of Singapore,
Singapore

Mukhles Sowwan
Okinawa Institute of Science and
Technology Graduate University, Japan

About Dubai

Dubai is a city in the United Arab Emirates known for luxury shopping, ultramodern architecture and a lively nightlife scene which has been called the shopping capital of the Middle East and the city of Gold. Dubai Creek Park in Dubai Creek showcase attractions in Dubai such as Dolphinarium, Cable Car, Camel Ride, and also Horse Carriage and Exotic Birds Shows, Safa park, Mushrif park, Hamriya park , Dubai Miracle Garden, world's largest indoor snow park famous places in Dubai.

Important Dates

Abstract Submission Opens: May 2, 2017

Early bird registration: September 28, 2017

Standard Registration: December 22, 2017

On spot registration: April 16, 2018

Venue

Dubai, UAE
