Welcome Message by Chair Person Dr. Abdulaziz A Saddique

Dear colleagues,

On behalf of the Organizing committee, I would like to welcome you to the 3rd International Congress and exhibition on Pharmacy to be held on August 15-16, 2019 at Prague, Czech Republic. We hope you will take this opportunity to plan and attend the conference to share, celebrate and together create a new history for the pharmacy profession. The organizing committee is gratified to have a line-up of highly renowned speakers consists of experts who agreed to shed light on research and issues that shape our pharmacy profession. Various programs consisting of keynote, plenary, sponsored session have been assembled. Additionally, there will also be opportunities for students, researchers and practitioners to share their research and contribution towards the success of our professions through oral and poster presentations.

The Pharmacy profession has been growing rapidly since the development of Clinical Pharmacy, Pharmaceutical care, computerization advancement, and expansion of pharmacist role. Academia development and the increase in number of colleges of pharmacy emphasizing the new trend of pharmacy practice, also contribute to the growth of our profession. Alongside the meeting will be a great opportunity to meet experts, share your experience and demonstrate your achievement in the field of Pharmacy practice. It will strengthen the ties between institutions and scientists and provide an environment for education, learning and developing joint research with the leading institutions. We hope you will take this opportunity to plan and attend the conference to share, celebrate and together create a new history for the pharmacy profession.

We hope this conference will offer participants a platform to exchange ideas, discover novel opportunities, reacquaint with colleagues, meet new friends and broaden their knowledge.

Regards
